

Abstract

There was on enmity of Imam Ali (Aleh AL- salam) at the beginning of the foundation of Ummuweah state . This enmity appeared in many kinds. One of these that : the Ummuweah made the politics of abusing him and declined from him .

The real beginning of this politics was at the beginning of Ummuweah state in 41 (-E) .

The Ummuweah in vented a chain of accusing of Imam Ali (Aleh AL-salam) – They accused him with killing people denying God debauchery and other accusing politics in many methods . The most famous method was that the abusing him in the formal faces of there state . They used the religious seasons and they brought his sons his friends and his fellows and they began of a busing him in front of them .

The Ummuweah used chain of punishments against those who refused the a busing politics.

One of these punishments they killed them and crucify them .

They also punished who refuse their politics economically by stopping the giving and taking their money.

They punished the their people socially . They intended to take the women as prisoners because their men refused this politics and they stand against it .

In addition to that they forced some men who followed Ahel AL-Beit to .marry their daughters with men who fellow Ummuweahs and obey them

When the abusing politics started , the attitudes were different some people stand beside it and they used all their efforts to employ it. In the other side . . There were variety attitudes which refuse it by force

The fellows and the religion's men concentrate on some subjects , the important subject was that they mention the virtues of Imam Ali (Aleh AL-Salam) his good morals and his relativity with the profet .(Mohammad (Sala Allah Aleh wa Salam

. They also rem ained that he was the first man who believed in Islam

They employed the speeches of the profet Mohammad (Sala Allah Aleh w all . Ahel Beith wa Salmi

. These speeches discover the refusing of following this politics

Al though the abusing politics lasted along time (41 – 99) (E) but the modern history discovered Ommar Ibn ABd AL-Aziz worked hard to stop this polics

for many causes , some of these causes special with the personality of .Ommar and the other causes special with the abusing politics itself

There were effects and results like the being near the ruler and declined the society redactions ship vary the believing of society and the losing of the .informations about Imam Ali's life and other Subjects
